An unforgettable trip to Venice

In February 2014 I went to Venice on holiday. I was there for the carnival. (1) _____ Here is what I found out about this spectacular event:

The Venice Carnival began in 1162 when the people of Venice started to dance in St Mark's Square. (2) _____ The carnival gave the people of Venice a chance to forget their worries, relax and celebrate. However, while the King of Austria was ruling Venice, the carnival stopped and it was against the law to wear masks in the street. The carnival finally returned to Venice in 1979. It is celebrated at the same time every year, over 10 days in late winter.

The costumes at the carnival are very beautiful and unusual. People wear dresses, long black coats, strange hats with three corners and masks. The masks are what make the carnival so original. Many have got very detailed artwork and complicated designs. Some are quite terrifying! (3) _____ If you go to the carnival, you will see lots of people walking the streets and squares wanting be photographed and maybe win competitions! If you want to join in with the atmosphere, you will need to buy a mask! There are many shops around the city where you can do this.
