## Entrevista a unes alumnes de Finlàndia.

**Hem fet una entrevista a dues alumnes de Finlàndia que han passat una setmana al nostre centre participant en una mobilitat Erasmus+.**

**What are your names?**

Her names are **Diana** and **Tiia**.

**How old are you?**

Diana is 17 years old, and Tiia is 18 years old

**Do you like Ibiza? Have you been to Spain**

**before?** Yes they like Ibiza and Diana has been to Spain before but not Tiia.

**Do you like your classmates in that school?**

Yes, they think they are kind and great.

**Do you do some sport?**

They don't do any sports but in Finland the people do many different sports and things.

**How are the classes in Finland?**

They can choose the subjects they take and they change the classroom for every subject. There are 25/30 people in every class.

**What will you study after high school?**

Diana will study University Hospitality but Tiia is going to be an Au Pair.

**What high school are you studying at?**

**Kuopion klassillinen lukio**, is the High school.

**What do you think about the project that we are making?**

They don't know what the project is because they don't speak the language, and don't understand anything. But they think that it's great to have this week to do projects, and classes together.

**Why did you come to Ibiza?**

They came because they are participating in an Erasmus Project.

**What do you think about Ibiza. is it like you imagined?**

Diana knew a little bit about Ibiza because it is not her first time in Spain but Tiia hadn't been here before

**Did you hang out with any friends that you made here or something?**

Yesterday they hung out with some girls from the school and they went to the beach.

**What social media do you use the most in Finland?**

They use Snapchat and Instagram because they don't have the same social media as in Spain.
